DATE MAILED:

**Please find below and/or attached an Office communication concerning this application or proceeding.**

**Commissioner of Patents and Trademarks**

**Notice of Nonresponsive Amendment**

The reply filed on January 3, 2003 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicant did not address the rejection under 35 USC 101 set forth in paragraphs 1 and 2 of the prior Office Action. In addition, applicant's arguments appear to suggest that all pending claims are "restricted to the handling of the spillage of mercury with a high surface area substrate with a gold coating" when in reality independent claim 6 contains no such limitations. See 37 CFR 1.111. Since the above mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to John Zimmerman whose telephone number is (703) 308-2512.
